SPECIALTY CLEANERS

Wheel Cleaner FORMULA 9342

Penetrates and removes brake dust, dirt and road grime. This formula is safe on all wheels and leaves them looking like new.

Trū Blū FORMULA 9420

Much more than a non-streaking, quick-drying glass cleaner - Trū Blū does it all. Cleaning vinyl, plastic, leather, rubber and upholstery, this product is Truly a Detailer's-Do-All.

Tire & Engine FORMULA 9352

What sets this product apart from others is that it contains both:

- ◆ SOLVENT (To Cut Oil)
- ◆ ALKALINITY (To Cut Grease)

Perfect Touch FORMULA 9463

Maintain that showroom shine. Perfect Touch is a spray-on, wipe off sealer excellent at gently removing dust, fingerprints, bugs and light soils. Leaves a wax-like finish and is safe on all paint finishes.
